## Easter 2011 Competition Report

### Edwards sees off the competition and takes the prize

All competitors met in the new lodge café by Brick Lake for drinks and snacks. This was the first time the lodge had been used and it was very nice sitting on the deck watching proceedings.

Richard Edwards won the heaviest 4-fish bag with a 9lb 3oz bag winning a 3-fish gift voucher.

Bob Sage caught the heaviest a 2lb 15oz rainbow trout, while Keith Verrall caught the smallest a 15oz rainbow. Both won a 2-fish gift voucher.

If you are keen to join in the competition fun we shall be holding a Late Summer Brick Farm Lakes competition, open to all, in early September - look out for the more information on the notice board or on our Facebook page ([www.facebook.com/brickfarm](http://www.facebook.com/brickfarm)).
